Dear Captain Peavy:

On August 24, 2006, a letter from our office evaluating the deputy-involved shooting referenced above was sent to your office. It was brought to our attention that it contained the following two errors:

1. Lieutenant Hellmold's name was misspelled, and
2. A sentence was misplaced within the document and caused the chronology of events to be misstated.

Attached please find a corrected letter dated September 12, 2006. This letter supercedes the previous letter of August 24, 2006. Thank you for bringing this matter to our attention. We apologize for any inconvenience it may have caused.

Very truly yours,

Re: J.S.I.D. File #: 05-0299  
L.A.S.D. File #: 005-07108-2852-057

Dear Captain Peavy:

The Justice System Integrity Division of the Los Angeles County District Attorney's Office has completed its review of the May 9, 2005 non-fatal shooting of Winston Hayes by Los Angeles County Sheriff's Deputies. Based upon the information submitted to this office, we have determined that these deputies acted lawfully in self-defense and the defense of others.

The following analysis is based upon a series of reports prepared by the Los Angeles County Sheriff's Department (LASD) submitted to this office on March 3, 2006. In addition, we have reviewed videotape of portions of the pursuit and shooting.

The District Attorney Command Post was notified of this shooting at approximately 1:00 a.m. on May 9, 2005. The District Attorney Response Team comprised of Deputy District Attorney Margo Baxter and District Attorney Senior Investigator [REDACTED] responded to the scene where they were given a briefing, provided with a "walk through" of the scene and participated in interviewing civilian witnesses. No compelled statements were presented or considered for purposes of this analysis.

**FACTUAL ANALYSIS**

On May 8, 2006, at approximately midnight, the Compton Station of the Los Angeles County Sheriff's Department received a 911 call of "shots fired" in the 800 block of

South Butler Avenue (Butler Avenue). Partner Deputies Anthony Vargas and Johnny Montenegro responded to the call.

Lieutenant James Hellmold was in the field at the time the shots were fired and heard them. He personally checked the area from which the shots were fired. He was flagged down by a male Hispanic who told Hellmold that he saw a large, white, American brand SUV or truck speeding away from the area after the shooting. Hellmold broadcast this information over the radio. Vargas and Montenegro heard this broadcast on their way to the location of the shots fired call.

As Vargas and Montenegro drove southbound on Butler Avenue they saw a white Sports Utility Vehicle (SUV) driving southbound directly in front of them. Believing this was possibly the suspect vehicle described by Hellmold, they attempted to conduct a traffic stop on the SUV using their overhead lights but the driver did not comply. Instead, he made a sudden U-turn and drove away northbound on Butler Avenue passing them. The deputies were able to see that the SUV had a single occupant, later identified as Winston Hayes. They initiated a pursuit by activating their overhead lights and sirens and notified dispatch over the radio.

Lieutenant Hellmold authorized three patrol units (Vargas and Montenegro, Deputy Jason Molina and Deputies Vergilian Bolder and Edward Clark) and the field Sergeant, Joseph O'Connor, to maintain the pursuit. Deputy William Formica joined the pursuit (without authorization) as the fifth unit. A Sheriff's air unit was requested and Air 22 responded giving an estimated time of arrival of approximately nine minutes.

The pursuit lasted approximately 10 minutes with the suspect driving in a circuitous route through a residential neighborhood at speeds of up to 60 miles per hour. Vargas and Montenegro, as the lead unit in the pursuit, broadcast the route taken and reported numerous instances of erratic and dangerous driving by Hayes including near misses with Sheriff and civilian vehicles. At one point, Hayes came to a stop on Linsley Avenue, leading Vargas to believe he was going to comply; however, Hayes quickly made a U-turn almost striking Vargas who was in the process of getting out of his car to contact Hayes.

During the pursuit, Hayes drove down Butler Avenue at least four times. Deputy Molina, the second unit in the pursuit, saw that Hayes would stop in front of houses on Butler Avenue where individuals standing in the front yard cheered him on by name<sup>1</sup>.

Lieutenant Hellmold advised units over the radio that the suspect vehicle may have been involved in recent assaults and/or murders in the area. He also requested that a unit be sent to the location of the original call to search for any witnesses or evidence.

---

<sup>1</sup> Molina had been called to the same house for a gang-related shooting on a prior occasion. The deputies had been shot at during the prior incident.

Deputy Patrick Neal responded and went to the 800 block of Butler Avenue to investigate. A request for spike strips was made because Hayes repeatedly drove down the same streets. The strips were located at Compton Station where Deputy Steven Shirley and Deputy Michael Haggerty heard the request and responded to the area of Butler Avenue and Linsley Street with the spike strips. The spikes were initially placed on Linsley Street just west of Butler but they did not deploy when Hayes drove over them.

When Air 22 arrived over the pursuit, Lieutenant Hellmold ordered the ground units to stop their pursuit as Air 22 took over broadcasting the pursuit via the radio. Air 22 was piloted by Deputy Tod Kocisko and the observer was Deputy Cynthia Olesinski. After a couple of minutes, Air 22 broadcast that Hayes had come to a stop on Butler Avenue between Myrhh Street (to the north) and Linsley Street (to the south). Olesinski broadcast over the radio that she believed he was about to flee on foot.

The original ground units involved in the pursuit had remained in the area. In addition, Deputies Clyde Terry and Henry Aguilar (both single man units) had remained in the area in the event of a foot pursuit. After it was broadcast that Hayes had come to a stop, Terry parked his car on Myrhh and ran south on Butler Avenue on the east sidewalk. Deputy Aguilar approached on foot from Linsley Street walking north on the west sidewalk. Deputy Neal drove from the 800 block to the 600 block of Butler Avenue and approached Hayes on foot by walking north on the west sidewalk of Butler Avenue. Deputy Vargas and Montenegro were in their patrol car behind Hayes facing southbound. Deputy Clark and Bolder were in their car in front of Hayes' SUV also facing southbound. Sergeant O'Connor's car was facing southbound on Butler Avenue just south of Myrhh Street and several houses behind Hayes. Deputy Formica also approached from Myrhh Street running south on the east sidewalk of Butler Avenue.

Suddenly, Hayes began to reverse the SUV. In response, Olesinski broadcast from Air 22, "Watch it! Watch it! He's backing up. He's driving very erratically. Looks like he is actually aiming to hit deputies. You guys watch yourself! He's aiming to hit you guys!" This forced Montenegro to quickly jump back into the passenger seat of the patrol car as Hayes was headed straight for them. Vargas drove quickly in a southeast direction passing Hayes to avoid being struck by his SUV. Molina followed, driving southeast and stopping nearly perpendicular to Butler Avenue, effectively preventing Hayes from traveling south on Butler Avenue. Hayes veered east and drove onto the front yard of [REDACTED] located on the east side of the street. [REDACTED] told investigators that Hayes drove so quickly onto her yard she feared he was going to crash into her house through her plate glass window. Hayes then quickly reversed in a north east direction causing his tires to squeal. Vargas and Montenegro got out of their car and went to the west sidewalk of Butler Avenue.

Deputies Bolder and Clark exited their patrol car. Clark ran to the west sidewalk. Bolder ran around the front of the patrol car just as Hayes began to drive forward. Bolder fell just as he reached the front of his car.

Deputies Vargas, Montenegro, Aguilar, Clark, Neal and Molina were on the west sidewalk of Butler Avenue as Hayes drove forward after reversing. Sergeant O'Connor and Deputies Terry and Formica were standing on the east side of Butler Avenue closer to Myrhh Street. Deputies Shirley and Haggerty were also on the east sidewalk of South Butler Avenue walking north toward Myrhh Street from Linsley where they had initially deployed the spike strips.

Deputies Vargas, Montenegro and Aguilar believed that Hayes was driving toward them and feared they would be hit by the SUV and seriously injured or killed. They were prevented from retreating by a short cinderblock wall enclosing the front yards of the residences on the west side of the street. They each fired multiple rounds from their service weapons at Hayes. Deputies Clark, Haggerty, Terry, Neal, Molina and Formica all perceived that Hayes was driving directly toward Bolder and that he may be injured or killed. They each fired multiple shots from their service weapons at Hayes. Bolder himself also believed Hayes was driving at him and once he recovered his footing, fired multiple rounds at Hayes in the SUV.

Hayes then drove in reverse the length of several houses in a southwest direction toward deputies located on the west sidewalk and in the street. Deputies continued to fire rounds at Hayes who paused briefly then drove forward again into Clark and Bolder's patrol car. As he drove forward deputies can be heard on the video repeatedly yelling, "Watch your crossfire." The shooting then stopped. Approximately 13 seconds elapsed between the time of the first and last shot. A total of 120 rounds were fired by the involved deputies.

Toward the end of the shooting, Deputy Clark was hit in the vest by "friendly fire" (a round from a fellow deputy) and fell to the ground. A "deputy down" call was broadcast and numerous deputies went to Clark's aid. He was transported to Saint Francis Medical Center where he was treated and released. Deputies and investigators later determined that there were 11 strikes to residences from errant bullets and that several patrol cars were also struck. Nobody was injured as a result of these errant rounds.

Deputies were able to remove Hayes from the SUV without further incident. Hayes was transported to UCLA Hospital where he was treated for two gunshot wounds and additional injuries from broken glass. No firearms were located on his person or in his vehicle. A toxicological screening revealed that Hayes had cocaine in his system.

Investigators Richard Garcia and Mitchell Robison attempted to interview Hayes at the hospital the morning of the shooting. After telling him they were investigating the shooting, Hayes told them that he did not know who shot him and that he was parked on the street. They told him that before he spoke they should read him his rights. Hayes volunteered that he had been "smoking" what he thought was "Ice." Hayes then told investigators that he was "too high" to talk then turned away and ignored them.

Hayes was subsequently charged with felony evading a police officer and driving under the influence of drugs and/or alcohol. He plead no contest to one count of felony evading on August 8, 2006. Sentencing is set for September 29, 2006.

Hayes has an extensive [REDACTED]

### LEGAL ANALYSIS

California law permits the use of deadly force in self-defense or in the defense of another if it reasonably appears that the person claiming the right of self-defense or the defense of another actually and reasonably believed that he was in imminent danger of great bodily injury or death. People v. Williams, (1977) 75 Cal.App.3d 731.

A person acts in legal self defense and/or the defense of others if they reasonably believed that he/she or a third party was in imminent danger of suffering bodily injury; they reasonably believed that immediate use of force was necessary to defend against that danger and they used no more force than was legally necessary to defend against that danger. CALCRIM No. 3470.

Where the peril is swift and imminent and the necessity for action immediate, the law does not weigh into nice scales the conduct of the assailed and say he shall not be justified in killing because he might have resorted to other means to secure his safety. People v. Collins (1961) 189 Cal.App.2d 575.

Actual danger is not necessary to justify the use of deadly force in self-defense. If one is confronted by the appearance of danger which one believes, and a reasonable person in the same position would believe, would result in death or great bodily injury, one may act upon those circumstances. The right of self defense is the same whether the danger is real or apparent. People v. Toledo (1948) 85 Cal.App.2d 577.

### CONCLUSION

On May 8, 2005, just before midnight, gunshots were fired near the 800 block of Butler Avenue in the City of Compton. Lieutenant James Hellmold received information from an anonymous citizen that a white, American made SUV or truck was seen speeding away from where the shots were fired. This was broadcast over the radio. Shortly thereafter, Deputies Vargas and Montenegro saw a white, American made SUV driving southbound on the 600 block of Butler Avenue. Their attempt to conduct a traffic stop was unsuccessful and a pursuit was initiated.

Approximately eight minutes into the pursuit, Air 22 took over broadcasting the route and the ground pursuit was terminated. The observer in Air 22 broadcast that the SUV had come to a stop on Butler Avenue and she believed Hayes was going to flee on foot. The

deputies converged on the scene in positions on both the east and west sides of Butler Avenue.

The deputies had reason to believe they were dealing with a suspect armed with a gun who was possibly responsible for assaults and/or murders in the area. He had led deputies on a pursuit reaching speeds of up to 60 miles per hour over residential streets during which he drove erratically nearly colliding with police and civilian vehicles.

Hayes ignored all commands after stopping on Butler Avenue and instead drove aggressively toward deputies, leading Deputy Olesinski in Air 22 to warn the deputies on the ground that Hayes was aiming for them with his car. Hayes continued to ignore deputies' orders and drove forward toward deputies located on the west sidewalk and a deputy who had fallen down in front of his car. Fearing for their own lives and the lives of fellow deputies, ten deputies fired rounds at Hayes as he continued to drive forward and backward with his tires squealing toward deputies located on both sides of the street.

We find substantial evidence that each of the shooting officers reasonably believed himself and/or fellow deputies to be in danger of great bodily harm or death from the actions of Winston Hayes. We conclude that the deputies acted in lawful self-defense and the defense of others. We are closing our file and will take no further action regarding this matter.
